Quantity	12	12	12

# Product Specifications

## Technology Specifications

Item	Specifications
Technology	Electromagnetic induction
Orientation Way	6-points/9-points/12-points
Tacking Speed	12m/s
Orientation Accuracy	$\pm 0.5\text{mm}$
Writing Pen Type	Active pen(with AAA batteries )
Pen Battery Life	$\geq 100$ hours continuous writing (depend on battery)
Working Voltage	$5\text{V} \pm 0.5\text{V}$
Working Current	$< 120\text{mA}$
Power	$< 0.8\text{W}$
Working Environment	Temperature: $-10^{\circ}\text{C}$ to $50^{\circ}\text{C}$ Relative humidity: 30% to 80%
Storage Environment	Temperature: $-25^{\circ}\text{C}$ to $70^{\circ}\text{C}$ Relative humidity: 10% to 90%
Transmission Interface	USB TO RS232 or USB
Date Transmission Rate	19200 bps
Transmission Distance	$\leq 15\text{m}$
Operation System	Windows XP/Vista/7/8, Mac, Linux

## Accessories

Standard Accessories	USB to RS232 Cable/USB Cable 10m *1, 250KHz Active pen *2, AAA battery *2, IPBOARD Software Installation CD *1, User Manual *1, Wall Mount Brackets.
Optional Accessories	Mobile stand, Wireless Tablet, Voting system, Wand, Wireless Module, Capacitive Pen(battery-free, rechargeable).
